About Jaipur National University, Jaipur [Rajasthan] India

Jaipur National University came into existence on 22nd October, 2007. In 2008, the university was visited by an expert panel of UGC members, which after thorough inspection accorded approval to the University under Section 2(f). Thus from a small beginning in 2002, the University has touched a new height with many programmes. With more than 5000 students and around 350 faculty members, the University is offering number of Under Graduate, Post Graduate and Doctoral Programmes in different streams, like Engineering, Pharmacy, Life and Basic Sciences, Business & Management, Education, Law, Mass Media, Hotel Management, Computer and System Sciences, Language, Social Sciences and Nursing. All the technical and professional programmes are approved by various regulatory bodies – AICTE, NCTE, BCI, INC, PCI, MCI. The University has also started the Institute for Medical Sciences and Research Centre and Hospital.

Jaipur National University is the First and only private University of Rajasthan to be accredited by the National Assessment and Accreditation Council (NAAC), based on a very comprehensive evaluation and accreditation after 7 years of establishment.

The University has maintained high standards of teaching and research. Quality education, merit, transparency and fulfillment of social responsibilities are the hallmarks of the University. The focus is not just on education alone, but also on the development of key skills required to confront the challenges of life. The University believes in holistic education, enabling the students to think logically, judge & communicate critically.

Jaipur National University has gained wide international exposure and recognition and become home to hundreds of students, including those from Nepal, Malaysia, Africa and Nigeria in pursuit of meaningful academic experience. Organisation of National and International Conferences/ Seminars at regular intervals is a regular feature of the University. The holistic approach adopted by the University has resulted in proud placements of the students in top-notch companies.

Within the context of a globalised, interconnected world, Jaipur National University is all set to meet the challenges sweeping across the world. The University Campus is aesthetically designed covering an area of more than 120 acres. With the Aravali Hills on one side and the sprawling green fields on the other, Jaipur National University (JNU) presents a perfect panorama of the vision of a University given by Gurudev Tagore.
