ABOUT US

Society of Pharmaceutical Education & Research (SPER)

Society of Pharmaceutical Education & Research (SPER) is a scientific, educational and professional non-profit organization committed to promote the highest professional and ethical standards of pharmacy and to work for the growth, development and betterment in the field of pharmacy. It is a registered Society under the M.P. Societies Act 1973, No. 44 of 1973.

Society of Pharmaceutical Education & Research [SPER] is one of the leading pharmaceutical association in the country and working in the interest of pharmaceutical professionals, with a member base of around 3,500, it spread across the country and have 13 state branches.

Objective

- Undertake and promote scientific and pharmaceutical research activities related to pharmaceutical education, research and skill development.
- Edit and publish, research journals related to the field of pharmacy for nourishing, spreading and promoting the research scholar and academicians.
- Arrange seminars, symposia, conferences, lectures, exhibitions, workshops, training programs to focus on pharmacy profession through publications.
- Provide a platform to discuss various issues related for the growth and development of pharmacy profession.
- Honour eminent academicians, researchers and young scientists engaged for the upliftment of pharmacy profession.
- Carrying out continuous research on various employability options for the pharmaceutical students and collaborate with educational institutions as well as pharmaceutical companies.
- Engage community through various training programs to enhance knowledge. Also design modules and certificate programs for the community to empower them for better employability.

Dr. B. C. Roy College of Pharmacy & Allied Health Sciences, Durgapur

Dr. B. C. Roy College of Pharmacy & Allied Health Sciences, Durgapur (W.B.) (BCRCPAHS) is a primary provider of qualified, trained Industry-ready Pharmaceutical Technologists to the society. Imparting application based pharmaceutical knowledge, BCRCPAHS offers an open and friendly atmosphere where students can learn, share and shine with expertise in medicines to ensure a healthier tomorrow. State-of-the-art infrastructure and a handful of dedicated and experienced faculty provide a comprehensive teaching-learning process at BCRCPAHS, through the programs of D. Pharmacy, B. Pharmacy, M. Pharmacy (Pharmaceutics, Industrial Pharmacy, Pharmacology & Pharmaceutical Analysis).

Increased life expectancy coupled with the ever-growing rate of literacy and change of living-standard has raised the higher demand for quality treatment warranting a sound support system for the health care. With the advancement in medical sciences and concomitant growing demand for qualified and trained personnel in Pharmacy field, the need for well-qualified industry-ready bright Pharmacy Graduates is being felt like never before. To meet the situation, like minded professionals founded Dr. B. C. Roy College of Pharmacy & AHS in September 2005 at the centre of Durgapur Steel City on around four acres of Govt. land for Pharmacy programs. At present the BCRCPAHS is NAAC B++ accredited, B Pharmacy of which is NBA certified and last three consecutive years under NIRF rankings. Management believes that knowledge of teachers percolates to the students and that is why research work is promoted and a good number of research work is going on collaboratively with reputed labs and institutions by the faculty members.

REGISTRATION

Registration fee is non-refundable and non-transferable. No refund in case of cancellation. Only registered delegates will be allowed to attend the Conference & Exhibition.

The registration fee can be paid via online mode only from our website through credit card/debit card/net banking. Online server generated passes will be sent to the registered emails automatically after the online registration process.

OBJECTIVE

The conference is organized with a key intention to highlight the current pharmaceutical industry needs: a key focus on customer-centric digital transformation. Eventually it would endeavor to make pivotal contribution to the ever growing pharmaceutical industry needs in India and will continue to surge forward in the times to come. The Conference events will encompass keynote talks, oral presentation sessions and poster sessions demonstrating new innovative outcomes and information pertaining to the development of streaming data, unlocking real-time analysis, improve diagnoses, cost savings and many more.

It aims to impart a scientific basis for the integration of industry and academia. This conference also offers a characteristic prospect for health care professional across the globe to assemble, interact, and discuss their ideas.

Important Dates

SPER Conference & Exhibition Date

24th & 25th March 2023

First Registration Deadline [Early Bird]

05th March 2023

Second Registration Deadline

12th March 2023

Last Date for Abstract Submission

[Oral & Poster]

28th February 2023
